2 additional voting members  
1 non-voting members  
0 guests

**I. Announcements**

None

**II. Old Business**

None

**III. New Business**

- Constitution, Bylaws and board members were approved by unanimous vote.
- Trustee Robert Anderson, WH6FQE, will file application for club call sign on behalf of the club.
- A D-Star repeater is the first club project, it is installed at 98-1047 Oliwa St, Aiea and from its location, should provide a wide area of coverage throughout the south shore of Oahu. The input of the repeater is 449.7000 MHz., with the output being 444.7000 MHz. Robert Anderson and Billy Guthrie have been working over the past few weeks to assemble, install, and test the D-Star repeater. The testing is now complete, and the repeater is currently on-line for local on-island D-Star communications. The internet gateway should be set up in the next few days.

**IV. Next Meeting**

Communication via email will continue, and the next meeting will be scheduled if any Board member requests it

**V. Adjournment**

A motion was called to adjourn the meeting, seconded, and passed.

Minutes submitted and approved

Robert Anderson, President
